

MUSIC AND FUN AT SUMMERFEST

It was a carnival atmosphere at the Hard Rock Hotel Penang where the annual Summerfest music festival took place on May 30 and 31.

Thousands gathered for entertainment, good food and fun.

Among the activities at the festival included live band performances from Kuala Lumpur and Penang, pool activity for children, fashion show and party games.

Among the bands were Gregory Ramanado, The Brackets, Mira Matta, Bongga Bongga, Russell Curtis Project, Jayzel, Somebody Who, Jumero, Evelyn Feroza, Sherman Tan & Arab, Christopher Estrop and 9 Lives.

They brought the house down with people taking to the dance floor.

This was followed by a fashion show, which was the highlight of

the evening.

As for the children, they were treated to games such as Pool Darts, Zorb Ball Challenge and Hand Ball.

Meanwhile cabanas set up poolside were offering tattoo services, face painting and a souvenir shop by Entopia (Butterfly Farm).

Proceeds from the festival went to Persatuan Tongkat Putih Pulau Pinang, a non-profit organisation that supported the visually impaired community.

At the end of the festivities, RM3,000 was raised and presented to the organisation.

"This is the seventh Summerfest and the response has been growing each year.

"It is clean wholesome family fun for all ages," said Hard Rock general manager John Primmer, adding that the project was part of the hotel's corporate social responsibility initiatives.
